## Book of Acts

The background is a textured gold color. A horizontal line divides the image into two sections. The top section is gold, and the bottom section is dark brown/black, representing soil. Three stylized plants grow from the soil. Each plant has a thick, yellow-orange root that spirals at the bottom. The roots rise vertically and then curve into green, leaf-like shapes at the top. The leaves are a dark green color with visible brushstrokes.

Learn about the Holy Spirit and each other as your family reads through the book of Acts.

To join the adventure, fill out the Adventure Guide (on the back).

If your family completes the entire book of Acts by August 31, you will receive a special gift to remember your summer journey in Acts.
